

Thanks and we hope you
enjoy playing! ~ Creases

Augusta contains a great deal of musical
talent, and as such, Creases is posing a
challenge to musicians! Nothing out of the
impossible, just for fun and expanding
skills. This month's challenge is from
a Brahms trio, a bit from the first part of
the first movement. Why not grab your
favorite instrument and give it a whirl!

Happy New Years!

From all of us on the Creases team we'd like to wish you a fortunate and prosperous new year.

To start this year off, we asked the Creases Community (facebook group that if you're not already, you are welcome to be a part of) to set themselves to a simple writing challenge. In 17 words, predict the events of the upcoming year.

They certainly provided some entertaining pieces that follow.

Please enjoy these and we hope you continue to enjoy Creases in this new year.
